

## Speaker Profile:

### Gloria Asare

Gloria is a new Director in our P&C Risk Modelling Services practice in Canada where she is responsible for the financial reporting, pricing, and climate risk related functions within the team. She joined PwC in October 2023 with 13 years of commercial P&C insurance pricing experience in multiple cities across the US and Canada. Over that period, she gained substantial exposure to numerous lines of business spanning traditional and specialty lines of business. The traditional lines included property, general liability, auto liability, workers' compensation, and construction, among others. The specialty lines included aerospace, marine, environmental, surety, cyber and professional liability lines. Prior to joining PwC, Gloria headed up the Canadian actuarial pricing team at AXA and served as a member of the leadership team.

Gloria is a Fellow of the Casualty Actuarial Society, an Associate of the Canadian Institute of Actuaries, and a Member of the American Academy of Actuaries. She graduated from the University of Pennsylvania - The Wharton School with a degree in Economics, specializing in Actuarial Science.
